

Strong neighbors make
a strong community and
we're on a mission to
ensure every member of
our community is...

**FULL
FIT &
LITERATE**

Do more than a good deed. Help people do better. The United Way of North Central Mississippi mobilizes the power of caring people to advance the common good of our community. We improve lives through initiatives in three key areas: *nutrition, creating healthy environments and promoting reading and financial literacy.*

Last year, through our United We Feed program, we collected and then distributed more than 12 tons of food to over 20 pantries in our area. We brought the community together to promote health and fitness through our Run United 5K. This year, we have a goal of putting books into the hands of 1000 children through United We Read.

Your support helps to ensure every member of our community is **Full , Fit & Literate.** Join your local United Way by completing the section below and make your contribution through payroll deduction at unitedway.msstate.edu.
